Your World of Music

Looking forward to Italy

I am drawn once again to Italy, the land of the renaissance, of awe inspiring venues and the origin of so much of our music. The food, the power of Rome, the endless Tuscan vistas, the thrill of Florence...this is the tapestry upon which we weave our performances.

Join with other fine young choirs as we meet in Rome to rehearse and then perform both individually and as a festival choir singing Mass at St. Peter's Basilica and in the festival gala concert. For those that wish it, travel with me to Tuscany for a further gala concert in Florence.

It would be my honor to host you in Italy and to talk with you as you consider your participation.
